# ROOM SERVICE

## ADDITIONAL ACCOMMODATION FACTS

Some quad rooms may contain 2 single beds and 2 upper bunks. If this is the case, the 2 single beds cannot be converted to a queen bed due to the position of the ladders for the upper bunks. Some triple rooms may contain 2 single beds and 1 upper bunk. If this is the case, the 2 single beds cannot be converted to a queen bed due to the position of the ladders for the upper bunks.

#Rooms 9238 & 9249 (SA), 8248 & 8251 (MA) have combined bathtubs and showers (shower over bath), which can be difficult to use if guests have limited or restricted mobility. If guests have limited mobility and require a shower that is not over a bath tub, it is recommended that they book a room a Balcony, Oceanview or Interior room as these have a shower only and are easier to step in and out of.
